Player Athletic Index (PAI)

TrackingFootball's proprietary football athleticism scoring system

- Height, weight, position, speed and power ratio, specifically gauged to rate **D-1** football athleticism
- Based on high school track & field statistics and multi-sport participation
- Indexed on a 0 to 5.0 scoring scale
- Position specific scores, prospect score may change based on position
- Individual player height, weight and position are important factors in PAI score
- For more insights and player samples go to www.trackingfootball.com/player-athletic-index/

5.0	Exceptional quantifiable speed and/or explosive power in comparison to players at the same position; <i>represents less than 2% of D-1 prospects</i>
